

Cambium — Board Meeting

February 2024

Agenda

- Approval of prior minutes
- CEO update & KPIs
- Financial review & runway
- Product roadmap
- Hiring plan
- Resolutions & asks

KPI Dashboard

KPI	Prior Q	This Q	Plan
Revenue (\$K)	900	1300	1500
ARR (\$K)	3800	5100	6000
Cash (\$M)	10.2	9.0	—
Runway (mo)	17	15	—

Financial Review

Revenue grew quarter-over-quarter; net burn held roughly flat. Current cash provides approximately 15 months of runway. Management recommends opening the next financing in two quarters.

Product Roadmap

Roadmap prioritizes commercial-scale reliability, cost-down initiatives, and two flagship customer deployments in the next two quarters.

Resolutions

RESOLVED, that the Board approves the expansion of the option pool by 200,000 shares; and FURTHER RESOLVED, that the Company is authorized to enter into the customer agreements described herein.
